Form 1095-C – New Alternative Distribution Method

Under federal law, employers that sponsor group health plans are required to provide Form 1095-C to individuals who were enrolled in that coverage. At the end of 2024, Congress passed the Paperwork Burden Reduction Act, which permits employers to make Form 1095-C available upon request, rather than automatically mailing a copy to each individual.

Accordingly, only individuals who were covered under Central Alabama Electric Cooperative's group health plan will receive a Form 1095-C upon request. Individuals who were not enrolled in the Cooperative's group health plan do not receive this form.

Form 1095-C is provided for informational purposes only and is not required to be submitted with your federal income tax return.
