

Installation Work Completion Form

The Residential Energy Efficiency Financing Program ("Program") is being conducted by Central Alabama Electric Cooperative (CAEC) in partnership with PowerSouth Energy Cooperative ("PowerSouth") to assist consumers in better controlling their costs of electricity.

Your participation in this Program, and in any related financing for which you are eligible, is voluntary, and you may decline to participate without affecting your relationship with CAEC. The personal information collected will not be used in making any decisions affecting you other than those directly related to your participation in the Program itself.

All information you furnish will be confidential and will not be disclosed in any form that would identify you except to employees of CAEC, Regions Bank ("Regions") or of PowerSouth or to others involved in conducting the Program or as required by law.

Contractor's Certification:

Important Notice to Contractor: Contractor certifies that each heat pump and/or installed weatherization measure identified in this Work Completion Application and in the attached detailed invoice complies with applicable standards, policies, procedures and codes. Contractor grants CAEC permission to perform inspections and work assurance audits of any such work. Any audits and Program inspections are solely for the benefit of CAEC and PowerSouth to help assure Program requirements are being achieved and create or imply no duty or obligations to Contractor. Contractor is responsible for making any inspections to protect Contractor's interests. There is NO GUARANTEE OR WARRANTY of any nature whatsoever, whether express or implied, from CAEC or PowerSouth as to the heat pump and/or installed weatherization measures.

Member's Certification

Note: Member is responsible for notifying CAEC and Regions when work is completed

Important Notice to Member: Before signing, read the information at the top of this form. There is NO GUARANTEE OR WARRANTY of any nature whatsoever, whether express or implied, from CAEC or PowerSouth as to the work performed, any of the improvements installed, or their adequacy or effectiveness.

By signing, Member agrees that the work has been satisfactorily completed and certifies that any weatherization improvements have been satisfactorily installed. Member further provides member system permission to conduct inspections and work assurance audits of the work and improvements and acknowledges that these audits and any Program inspections are solely for the benefit of CAEC and PowerSouth to help assure Program purposes are being achieved and create or imply no duty or obligation to customer.
